For the username, you must enter your username, which is used to enter the METU systems without the ending @instructor.metropolitan.hu and @metropolitan.hu. In the password section, you must enter your password, which is also used in Neptune. Then click on the **"LOGIN"** button. By clicking on the **"HUNGARIAN VERSION"** button, the page switches to Hungarian.

2. Upload page

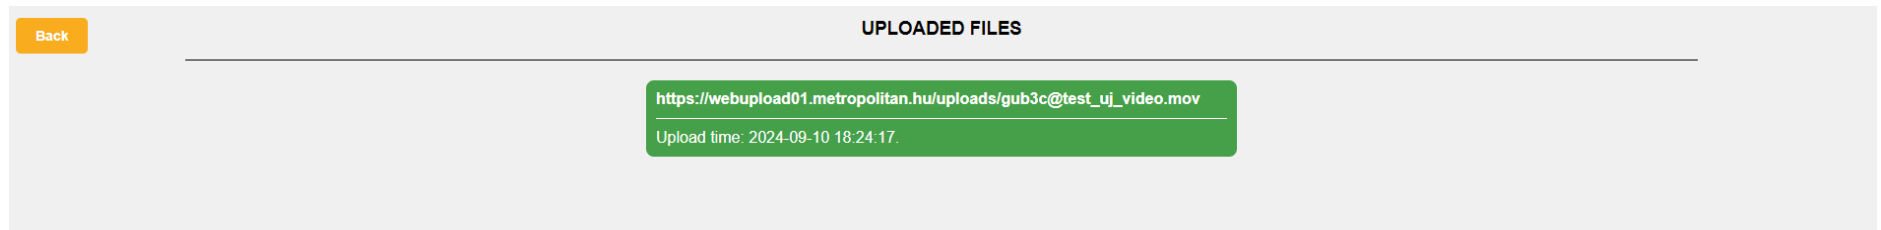

The upload page itself looks like this after logging in.

The screenshot shows a web interface for file uploads. In the top-left corner, a white box displays 'Logged in as: gub3c'. Below it is an orange button labeled 'UPLOADED FILES'. The main content area is a light gray rectangle. Centered within this area is a white card with the title 'BUDAPEST METROPOLITAN UNIVERSITY'. Below the title, a message reads: 'Please select the file to upload by clicking the "Choose File" button. Then click the "UPLOAD" button.' This message is followed by a file selection interface consisting of a button labeled 'Fájl kiválasztása' and the text 'Nincs fájl kiválasztva'. Below this is a large orange button labeled 'UPLOAD'. At the bottom of the card, the allowed file formats are listed: '.mov, .h264, .mkv, .mp4, .mpeg, .pdf, .mp3, .rar, .zip', and the maximum upload size is specified as '20GB'.

Underneath, we find the **"UPLOADED FILES"** button. By clicking on the button, we can see what we have previously uploaded by date and name.

3. Files page

We can copy the link or paste it to access the uploaded file.

We can go back to the previous page with the "**BACK**" button.

4. Upload

We can start uploading the files with the **"SELECT FILE"** button. Only one file can be uploaded at a time.
